OUR POSITIVE APPROACH TO CHILD PROTECTION

- The safety of children is of paramount importance.
- Staff are vetted in accordance with Coventry Child protection Guidelines.
- Children must at all times be accompanied by parents or authorised carers.
- Evidence of abuse or neglect will be reported to Coventry Area Child Protection team.
- We want children to be safe.

In the interest of foot hygiene, everyone using the play equipment must wear socks. Parents may assist toddlers on the equipment but we do not allow adults to play on the equipment.
